

## SEEDS Education Committee Summary

The purpose of the SEEDS Education Committee is to create, prepare, and facilitate educational opportunities and standards for SEEDS Membership.

**Membership Criteria:** Each SEEDS Member organization will complete 10 Continuing Education Units within 2022 for renewal of membership for 2023. Beginning for renewal of membership in 2024 and going forward, each member organization will complete 15 Continuing Education Units each year. All Continuing Education Units must be completed within the calendar year prior to renewal.

**Process:** Each member organization will complete a Continuing Education Form and submit it with their SEEDS Membership Application Form/ Renewal Form. This form is to be submitted with the required documentation for units completed outside of the SEEDS online portal or SEEDS conferences.

All Continuing Education Units must be completed from the approved list of conferences and sources by a Principal of the Company. Approved Principals are Owners, President, CEO, CFO, COO. Members may recommend or suggest additions to the official list, and all additions will need to be approved by the SEEDS Education Committee. Total units must be completed by the organization and not necessarily by each individual principal.

To receive credit for attendance at conferences outside of SEEDS functions the verification required is proof of attendance/payment.
